KINDERGARTEN SERIES

Hats on Top

Hats On Top is a colorful, concept-driven course for nursery and preschool children. This beautifully designed, four-level course in American English has been digitally enhanced with newly developed components for both teachers and students. The central characters are the Hat People, a fun, friendly family who guide children through their first encounters with English.

Hats On Top has a Teacher Resource Website, Finger Puppets, Concept Mats and Macmillan Early Learners Photo Cards.

PRIMARY SERIES

Next Move

Next Move is the new edition of Next Stop and is a 7-level American English course for primary children between the ages of 5 and 12, which takes children on a language-learning and cultural journey to build not only their language awareness, but also their cross-cultural awareness.

Key Features

- Embraces games and play, energy, and kinaesthetic learning
- Has links to the development of essential competencies – strategic thinking, planning ahead, predicting – all perfect for the modern Primary context
- Development of clear phonics program, values development and reading comprehension of fiction and non-fiction

25% de descuento

www.macmillan.com.pe

PRIMARY SERIES

Brainwave

Brainwave is a six-level, American-English primary series that offers a blended solution with a rich variety of print and digital components. Brainwave series adopts the principles of brain-based learning, creating optimum conditions for learning to take place.

Brainwave is a truly blended learning solution, offering an impressive range of multimedia components to transform classrooms into digital learning environments where possible.

Key Features

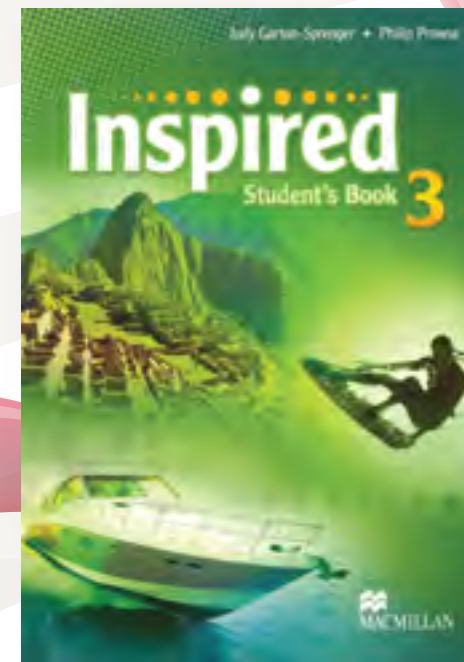

- Newly designed Content and Language Integrated Learning (CLIL) sections
- My Progress Journal for ongoing self-evaluation, providing children, teachers and parents with a record of achievement

25% de descuento

www.macmillan.com.pe

SECONDARY SERIES

Inspired

Inspired is an exciting four-level American English course written specifically for teens. It is rich in cross-curricular and cultural content, striking the balance between teaching grammar and practicing the target language in a communicative context.

Key Features

- A structured, task-based approach
- Personalization and critical thinking
- An emphasis on learner independence, study skills and self-assessment

25% de descuento

www.macmillan.com.pe

SECONDARY SERIES

Gateway

Gateway is an academically rich five-level English course that leads teenage students to success in school-leaving/university entrance examinations, and prepares them for university and the world of work. The course stimulates the interest of students by using cross-curricular and international cultural topics about popular culture.

Key Features

- Academically-rich and authentic texts
- Extensive exam preparation
- Strong focus on study skills and independent learning
- Gateway Online provides a dynamic learning space for students and more free resources to support the course for teachers

25% de descuento

www.macmillan.com.pe

YOUNG LEARNERS

Skills

The Young Learners English Skills books give structured practice of the grammar, vocabulary and skills needed for the Cambridge ESOL Young Learners English Tests through tasks similar to those in the Starters, Movers and Flyers exams.

Key features

- Structured and incremental practice builds towards Cambridge Young Learners test requirements at each level
- Lively, colourful material that young learners can relate to
- Manageable books contain sufficient material for a school year
- Comprehensive teacher's notes provide extra material for consolidation
- The Test Generator extends the material further and makes it more flexible
- A package of online resources provides additional support

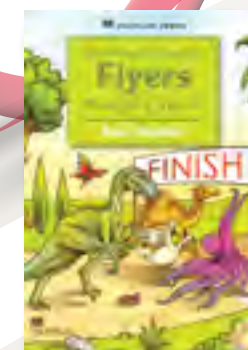

25% de descuento

Practice tests

The Cambridge ESOL Young Learners English Tests are often a child's first experience of exams and the emphasis is very much on making the experience a positive one. These books are the ideal bridge between coursebook and exam.

Key features

- Beautiful full-colour artwork by a range of children's illustrators
- Written by very experienced teachers, teacher trainers and examiners
- The unique double-page spread 'speaking picture' gives authentic exam practice and also has added value in the classroom (with step-by-step teacher's notes on activities to use in class)
- Easy-to-use, downloadable Teacher's Notes guide teachers through the exam, provide extra activities and ideas for presenting and practising language, while reflecting the positive ethos of the exam – available from www.macmillanenglish.com

ADULT SERIES

Communicate Listening & Speaking Skills

Communicate is a two-book communication course specially written to improve listening and speaking skills through video-based activities, aimed at B1 level English students. All of the videos have been developed to give students best practice in the challenges they will face in everyday communication.

The course covers areas such as English in the personal sphere, English at work, academic English and English in a public or social context.

25% de descuento

Skillful Listening & Speaking

Every student needs top class reading, writing, listening and speaking skills to succeed at an academic level. Skillful focuses on each of these skills to give presentation, instant practice and complete immersion in that language skill.

Skillful is a brand new five-level course taking students from foundation to advance.

CAMBRIDGE
UNIVERSITY PRESS

CAMBRIDGE ENGLISH
Language Assessment
Part of the University of Cambridge

What is Cambridge English?

Cambridge English combines the specialist international expertise of two sister organisations within the University of Cambridge:

- **Cambridge University Press** – the leading publisher in learning materials
- **Cambridge English Language Assessment** – the global leader in English language examinations

Backed by a deep understanding of language learning and teaching with on-going investment in ground-breaking technologies and research, Cambridge English is underpinned by the four principles of everything we do: **Expertise, Experience, Quality and Innovation**. This can be seen through projects such as the **Cambridge English Corpus**, and pioneering products such as **Touchstone**, the first 100% flexible course available for learners of English.

Understanding English as it's really used

Cambridge English authors have exclusive access to the **Cambridge English Corpus**, an extensive database consisting of written and spoken English from around the world, and a unique bank of exam candidate papers, the **Cambridge Learner Corpus**, the world's largest learner language database. Our authors use these to understand how English is really used, and have a real insight into the common mistakes made by students in each country, at each level. This means you can be confident that the language you're teaching is natural, up to date and the materials are genuinely useful for your students.

 www.cambridge.org/corpus

Understanding English progression levels

Cambridge English is the only publisher that is a member of **English Profile** – a Council of Europe endorsed programme to describe the Common European Framework of Reference (CEFR) for English. The CEFR is used the world-over to describe the levels of language proficiency, and as a leading member of **English Profile**, we have a clear understanding of what should be taught at each level. Our materials therefore directly align to the CEFR, and ensure students focus on the language they need to progress.

 www.englishprofile.org

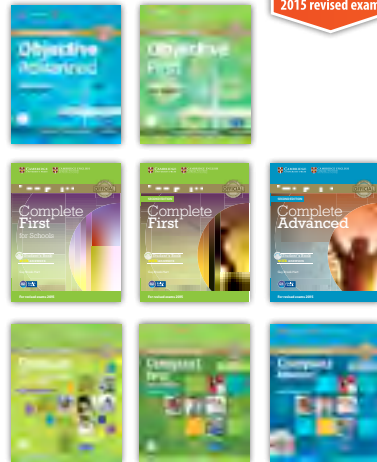

What makes our materials unique?

- Cambridge English authors are internationally recognised, and experts in the exams
- Our materials are informed by exclusive research insights into real exam candidates' exam performance from the Cambridge Learner Corpus
- Vocabulary syllabi are precisely targeted to CEFR-level using the cutting-edge English Profile resource
- All of our exam preparation is officially validated by Cambridge English Language Assessment

Exam update for 2015

The Cambridge English: First (FCE), Cambridge English: First (FCE) for Schools and Cambridge English: Advanced (CAE) exams are changing from January 2015.

Look out for the 2015 revised exam logo to see which products are available and forthcoming to meet the requirements of the updated exams. See pages 44, 45, 46, 53 and 54.
